Herkimer, NY  
Cell: 315-717-4314 Email: bmbaker@buffalo.edu

---

## Profile

Diligent and creative problem solver. Enthusiastic about working in the field of computer and software engineering. Experienced in group organization and planning, but ready to perform any task and learn quickly to be of benefit to an organization.

## Education

<b>Bachelor of Science - Computer Engineering</b>	June 2020
<b>University at Buffalo</b>	Buffalo, NY

## Academic Experiences

<b>Advertising Team: UB Hackathon - University at Buffalo</b>	Fall 2016
<b>Treasurer: National Honors Society - Herkimer High School</b>	2015-16
<b>President: Class of 2016 - Herkimer High School</b>	2014-15

## Work Experiences

<b>Delivery Driver</b>	April to August 2016
<b>Yetty's Pizza</b>	Herkimer, NY

My task set within Yetty's at first was simply to deliver the pizzas and other foods. By the end of my time there, I had been chosen over senior employees for kitchen positions that were more difficult and required more focus.

<b>Crew Member</b>	April to November 2015
<b>McDonald's</b>	Herkimer, NY

My position at McDonald's was that of an all purpose employee. By the end of the 7 months I had become proficient in all of the positions that a crew member is expected to work in.

## Technical Skills

Programming Languages: Python, Java, HTML & CSS, JavaScript  
Operating Systems: Windows, Unix/Linux, Android  
Other: Computer Assembly and Repair, Microsoft Office
